

NEW YORK STATE BOARD ON ELECTRIC
GENERATION SITING AND THE ENVIRONMENT

CASE 15-F-0122 - Application of Baron Winds LLC for a
Certificate of Environmental Compatibility and
Public Need Pursuant to Article 10 to Construct
a Wind Energy Facility.

NOTICE OF AVAILABILITY OF REMAINING APPLICATION STAGE INTERVENOR
FUNDS AND SCHEDULE FOR SUBMITTING FUNDING REQUESTS

(Issued October 15, 2018)

On November 29, 2017, Baron Winds LLC (Baron), a subsidiary of Innogy Renewables US LLC, filed with the New York State Board on Electric Generation Siting and the Environment (Siting Board) an application for a certificate of environmental compatibility and public need, pursuant to Article 10 of the Public Service Law. Baron proposes to construct a commercial-scale wind power project (the Project) in the Towns of Cohocton, Dansville, Fremont and Wayland in Steuben County, New York. The Project would have a nameplate capacity of 242 megawatts and would include up to 69 wind turbines, underground and overhead collection lines, access roads, meteorological towers, an operation and maintenance building, and a collection substation to deliver power to the New York State power grid. Baron proposes to construct the collection substation adjacent to an existing substation, which will interconnect with the New York State Electric and Gas 230 kilovolt transmission line in Cohocton.

PLEASE TAKE NOTICE that, following the award of intervenor funds in the total amount of \$306,600 to the Towns of Fremont, Wayland, Cohocton and Dansville, intervenor funds in the amount of \$69,279.52 remain available for award to eligible municipal and local parties for use in contributing to a

complete record leading to an informed decision by the Siting Board as to the appropriateness of the site and facility. Such funds are available to defray expenses for expert witnesses, consultants, administrative fees and/or legal fees (other than in connection with judicial review).

Eligible municipal and local parties intending to request intervenor funding must use the "RFIF Form" available on the Siting Board's web page at <http://www.dps.ny.gov/SitingBoard> (please follow the "Forms" link on the left side of the page). Requests for funds should be submitted to the Examiners, Administrative Law Judges James Costello (James.Costello@dps.ny.gov) and Anthony Belsito (Anthony.Belsito@dps.ny.gov) of the Department of Public Service and Administrative Law Judge Maria E. Villa (Maria.Villa@dec.ny.gov) of the Department of Environmental Conservation **by 4:30 p.m. on October 29, 2018.**

Copies of requests also must be filed with the Hon. Kathleen H. Burgess, Secretary of the Siting Board, at secretary@dps.ny.gov **by 4:30 p.m. on October 29, 2018.** Persons without e-mail access may send their documents to the Examiners and Secretary Burgess by first class mail at the New York State Board on Electric Generation Siting and the Environment, Three Empire State Plaza, Albany, New York 12223, such that the requests are received by the due date.

Copies of requests also must be served on other persons identified on the party list for this proceeding, by e-mail or first class mail. (The party list can be accessed at the Siting Board's web page, by following the "Projects Under Review" link on the left side of the page, then clicking the "Applications Submitted" link in the enter area of the page,
